MESSAGE:

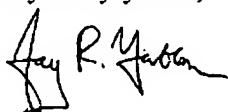

Dear Ms. Moore:

As we discussed a few minutes ago, this is in reply to your February 16, 2005 Notice of Non-Compliant Amendment in the above-referenced case. Apparently, the PTO's facsimile machines cut off parts of four pages when receiving this fax on September 18, 2004.

Because you said you needed a new copy of everything, attached, please find the entire original 134 page reply as submitted on September 18, 2004, as well as the three drawing sheets. The only paper filed on September 18, 2004 which is not attached here, is the credit card payment form for \$1325, which fee has already been charged.

As this case was granted special status, I'd appreciate if this can be processed as quickly as possible to make up for the time lost as a result of this situation.

Very truly yours,

Jay R. Yablon, Registration # 30604

RE: REPLY TO MAY 18, 2004 OFFICE ACTION
FOR: SERIAL NUMBER 10/065,683; ART UNIT 2882; FILED 11/8/2002;
EXAMINER: CHIH CHENG G. KAO
TITLE: IONIC PRE-CONCENTRATION XRF DETECTION AND ANALYSIS DEVICE,
SYSTEM AND METHOD

Dear Sir:

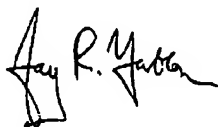

Enclosed please find a detailed 134-page reply to the above-referenced office action, plus three (3) drawing replacement sheets.

The total number of claims has been increased from 121 to 200, and the number of independent claims has been increased from 2 to 16, which is 13 independent claims above the 3 claims covered by the base filing fee. Thus, at the small entity rate, a total of \$1270 is due for these additional claims. Further, \$55 is due for the first month extension under 37 C.F.R. 1.17(a)(1).

A credit card payment form for \$1325 is attached to cover all fees.

By and with this reply, I hereby request further examination and consideration of this application, with the amendments submitted, described and supported herein.

Very Truly Yours,

Jay R. Yablon
